BIO

Robert W. Emmerich, PE, CHST, CET
SAFE-CON, LLC
bobe@safeconllc.com
608-270-9528

Bob is the consultant/owner of Safe-Con, LLC, a safety consulting and training firm specializing in construction safety. He has been involved in construction project management, operations management, engineering and safety for over 41 years.

Bob provides safety consulting, program development, site safety audits, OSHA compliance consulting, and accident investigation services. He also consults and acts as an expert witness in legal matters.

Bob is a national trainer to construction contractors, public entities, insurance companies, associations and others. Bob has been an OSHA authorized instructor for OSHA 10 hour and 30 hour Outreach courses for Construction. He is a developer and trainer for OSHA Susan B. Harwood grant safety training programs and safety management programs through AGC.
