# **NAWIC Construction Summer Camp**

**FREE Summer Day Camp  
to be held June 10-14, 2024**

The National Association of Women in Construction (NAWIC) Gr. Kansas City Chapter #100 partners with the Kansas City Construction Industry to offer high school age girls an opportunity to learn the basic skills of carpentry, plumbing, painting, and welding in a hands-on environment. The Camp activities also include introductions to construction industry professionals who will share insight into their day to day, tool demonstrations, and much more!

Tradeswomen will join with instructors at various locations in safety, carpentry, concrete, painting, electrical, glazing, plumbing, and welding skills during the camp. By the end of this week, campers will have made several projects to take home with them that show off the skills they have learned. NAWIC will provide personal protective equipment for all students, including hard hat, safety glasses, safety vest, and gloves.

## **REGISTRATIONS DUE BY FRIDAY, MAY 17, 2024**

<b>Student Name</b>		<b>Date of Birth</b>	
<b>High School</b>		<b>Grade</b>	
<b>Contact Number (Student)</b>		<b>Shirt Size</b>

<b>Have you attended before?</b>			

Do you have welding experience?	
Parent/Guardian Name	
Parent/Guardian Email & Phone Number (if different than above)	

I give permission for my daughter named above to participate in all Construction Summer Camp activities scheduled for June 10-14, 2024. I understand that there will be “hands-on” activities offered in the camp, and the potential for a field trip to an active construction site on Friday, June 14. I understand that my daughter must have personal insurance coverage prior to participation in the summer camp activities. We understand that appropriate dress for construction is required. That includes jeans or khaki pants, close-toed shoes or boots and something to pull back long hair. I understand that Camp directors will make every effort to keep this summer camp experience educational and safe. I also give NAWIC and the Camp’s Company Sponsor’s the permission and authority to use my child’s picture or videotape for press releases, social media and other activities that promote safety, job recruitment and retention, or any positive industry related event. I release the camp directors, National Association of Women in Construction (NAWIC), Gr. Kansas City Chapter #100, and company sponsors from liability for any physical injury that may occur.
