

We Look Forward to Your Visit!

We want you to have the best - and safest - experience possible in our Volunteer Outreach Center so **please remember these simple suggestions for working in a warehouse environment:**

Wear closed-toed shoes, such as tennis shoes. Open-toed shoes are not allowed in the warehouse for safety reasons.

Everyone must be six years old to volunteer. Unfortunately, we cannot accommodate any children under our age limit.

Dress Casually. Jeans, t-shirts, sweatshirts, etc. are recommended.

Keep jewelry at a minimum to prevent snagging on boxes and equipment.

Bring a water bottle to keep in the volunteer break room or there are water fountains located near the warehouse entrances.

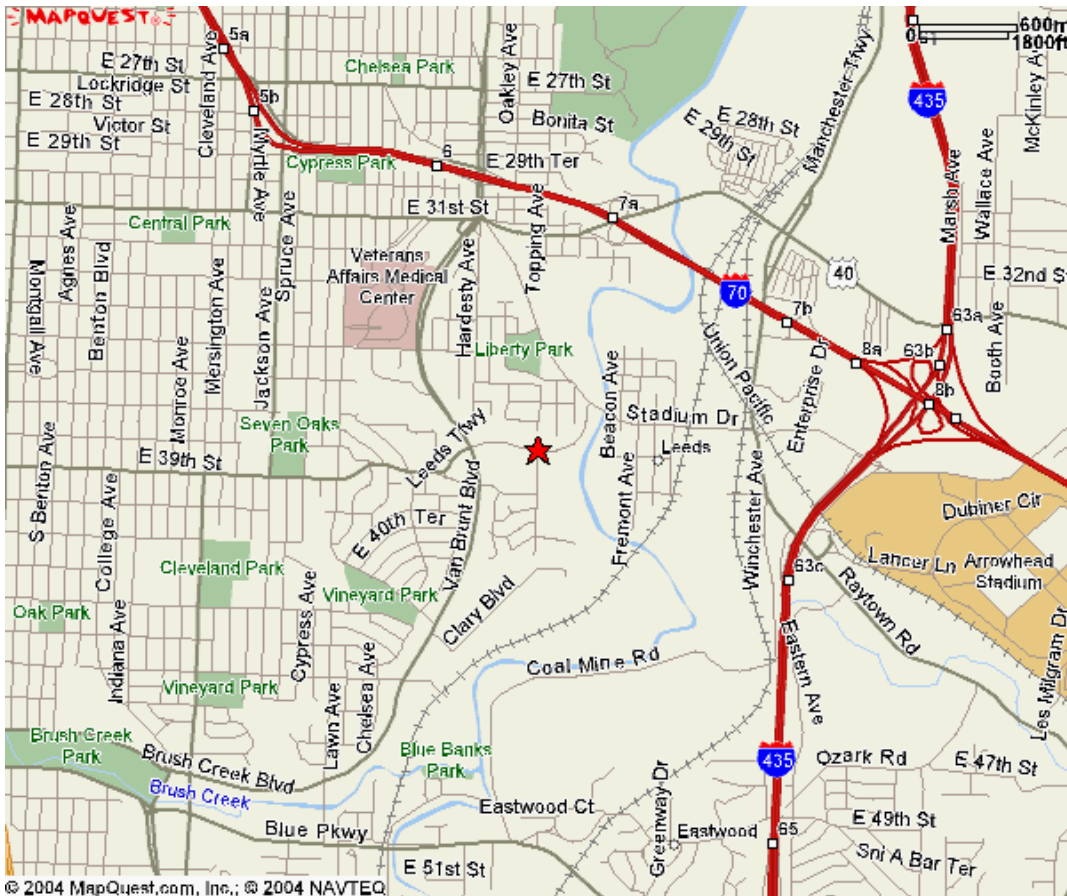

Leave all valuables in your car or at home (cell phones are not allowed in the warehouse).

Overflow parking is available across the street from Harvesters if the main parking lot is full.

Harvesters maintains a **smoke-free campus** – no smoking is allowed on premises.

Inclement weather –A decision if Harvesters will be open or closed during inclement weather will be made by 6 AM that day and an update will be left on the main line at 816-929-3000. If there is a question about weather related closings, please call before you depart to volunteer.
