The National Association of Women in Construction Scholarship Foundation of the Greater Kansas City, Missouri Chapter 100 will be accepting applications from students who are pursuing a degree in a construction-related field. One change we would like to make you aware of from past years is that NAWIC student chapter members are eligible for the scholarship as long as an immediate family member is not a member of any NAWIC chapter. Applications with official transcripts must be post marked by March 31, 2020 and mailed or e-mailed to:

Debbie Hoover
13730 W 108th Street
Lenexa, Kansas 66215
dh Hoover@prosserwilbert.com

Please feel free to make copies of the enclosed application form or if you would like the form e-mailed, contact me at 913.906.0104 or by e-mail at dh Hoover@prosserwilbert.com. You may also download the form from our chapter's website at www.kcnawic.org.

The trustees will meet in April to review the applications and select the recipients. All applicants will be notified.

If you have any questions, please feel free to contact me.

Sincerely,

Debbie Hoover
